FEMINENZA KENYA**Report of the independent auditor to the Board of Board
For the year ended 31st December2021**

Report on the financial statements

We have audited the accompanying financial statements set out on pages 6 to 13 which comprise the fund accountability statement as at 31st December2021, Statement of comprehensive income, and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Responsibility for the financial statements

The Board are responsible for the preparation and fair presentation of these financial statements in accordance with the International Financial Reporting Standards and the requirements of the Kenya Companies Act. This responsibility includes: designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Responsibility of the Auditor

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform our audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement for the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the organizations' preparation and presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, proper books of account have been kept and the accompanying financial statements, which are in agreement with, give a true and fair view of the financial position of Edelvale Home as at 31st December2021 and of its financial performance and cash flows for the year then ended in accordance with the generally accepted non-profit accounting principles and International Financial Reporting Standards.

FEMINENZA KENYA
Financial Statements
For the year ended 31st December 2021

NOTES

1. SIGNIFICANT ACCOUNTING POLICIES

a) Basis of preparation

Unless otherwise stated, the financial statements are prepared in compliance with International Financial Reporting Standards (IFRS). The financial statements are prepared under the historical cost convention duly modified to include the valuation of property and equipment.

b) Revenue recognition

Income comprises donations and miscellaneous income, which is in the year accounted for on receipt basis.

c) Grants

Grants related to income are presented as a credit in the income statement. Capital assets received as a grant/donation are capitalized by crediting the income account or taken to a specific fund as required by the donor and/or as determined by the management. The carrying amount of the grant related assets are reduced by way of an annual depreciation/amortization charge, where necessary

d) Receivables

Receivables are reviewed at the year end and carried at anticipated realizable values. Provision is made for doubtful debts when collection is no longer probable. Bad debts are written off in the year in which they are recognized.

e) Employee benefits and retirement benefit obligations

The estimated monetary liability for employees accrued annual leave entitlement at the balance sheet date is not recognized as accrued expenses. The organization and its employees contribute to the National Social Security Fund (*NSSF*) which is a defined contribution scheme.
