**Report on the financial statements**

We have audited the accompanying financial statements set out on pages 6 to 13 which comprise the fund accountability statement as at 31st December 2023, Statement of comprehensive income, and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory notes.

**Responsibility for the financial statements**

The Board are responsible for the preparation and fair presentation of these financial statements in accordance with the International Financial Reporting Standards and the requirements of the Kenya Companies Act. This responsibility includes: designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

**Responsibility of the Auditor**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform our audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement for the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the organizations' preparation and presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, proper books of account have been kept and the accompanying financial statements, which are in agreement with, give a true and fair view of the financial position of Edelvale Home as at 31st December 2023 and of its financial performance and cash flows for the year then ended in accordance with the generally accepted non-profit accounting principles and International Financial Reporting Standards.
